THE PHOENIX COMIC CLUB

HOW TO DRAW SHARKS

THE BUILDING BLOCKS

1.

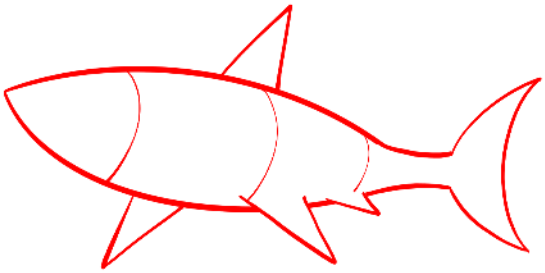

START WITH AN *OVAL* EYE SHAPE FOR THE MAIN PART OF THE BODY. *ANGLE IT UP* AT THE LEFT EDGE SLIGHTLY.

2.

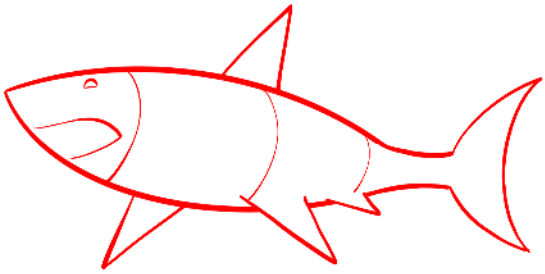

ADD A *CRESCENT MOON* FOR THE *TAIL FIN* AND ADD CURVES ALONG THE BODY FOR FORM.

3.

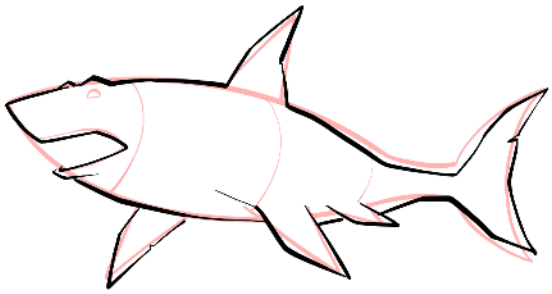

AT THIS STAGE JUST USE BASIC *TRIANGLES* FOR THE SHARK'S OTHER *FINS.*

4.

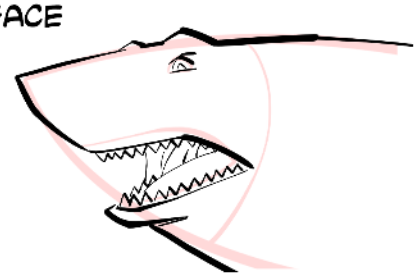

FINALLY POSITION ITS *NOSE AND MOUTH,* AND YOUR BUILDING BLOCKS ARE DONE.

5.

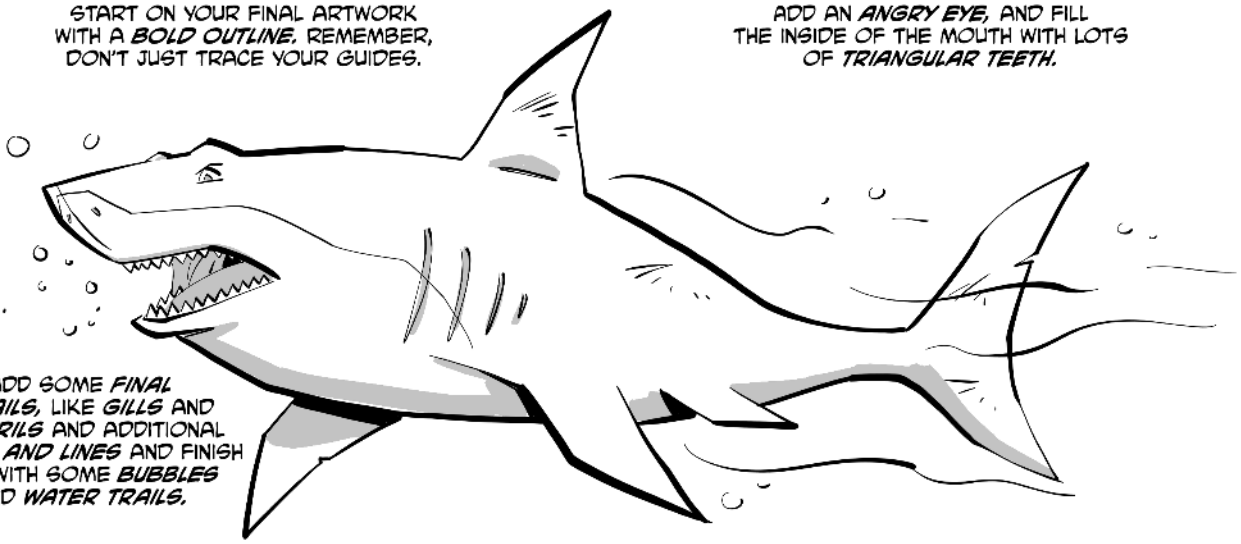

START ON YOUR FINAL ARTWORK WITH A *BOLD OUTLINE.* REMEMBER, DON'T JUST TRACE YOUR GUIDES.

6. THE FACE

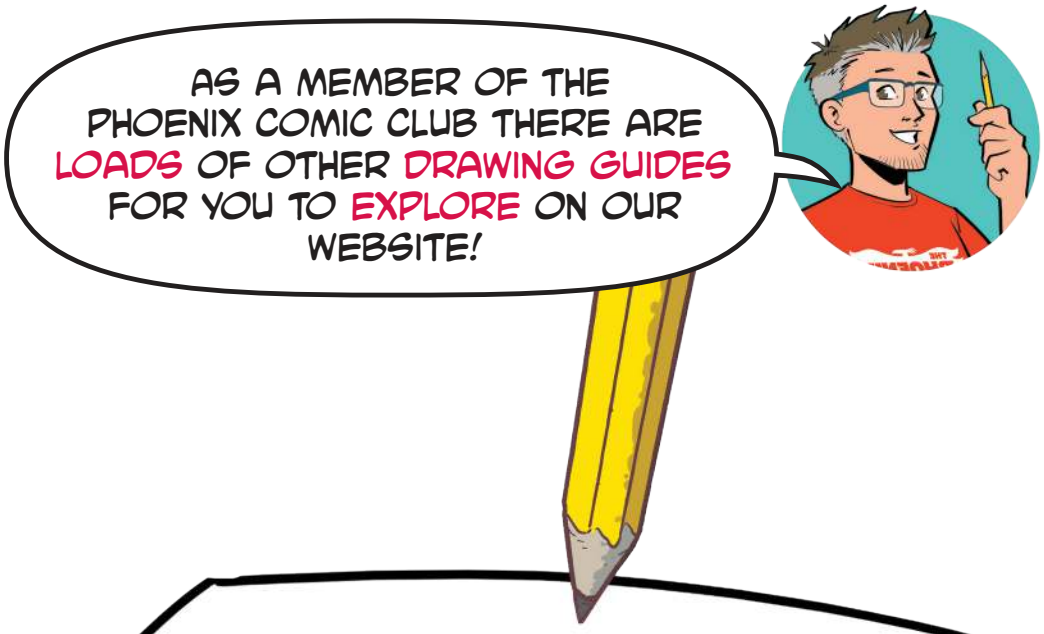

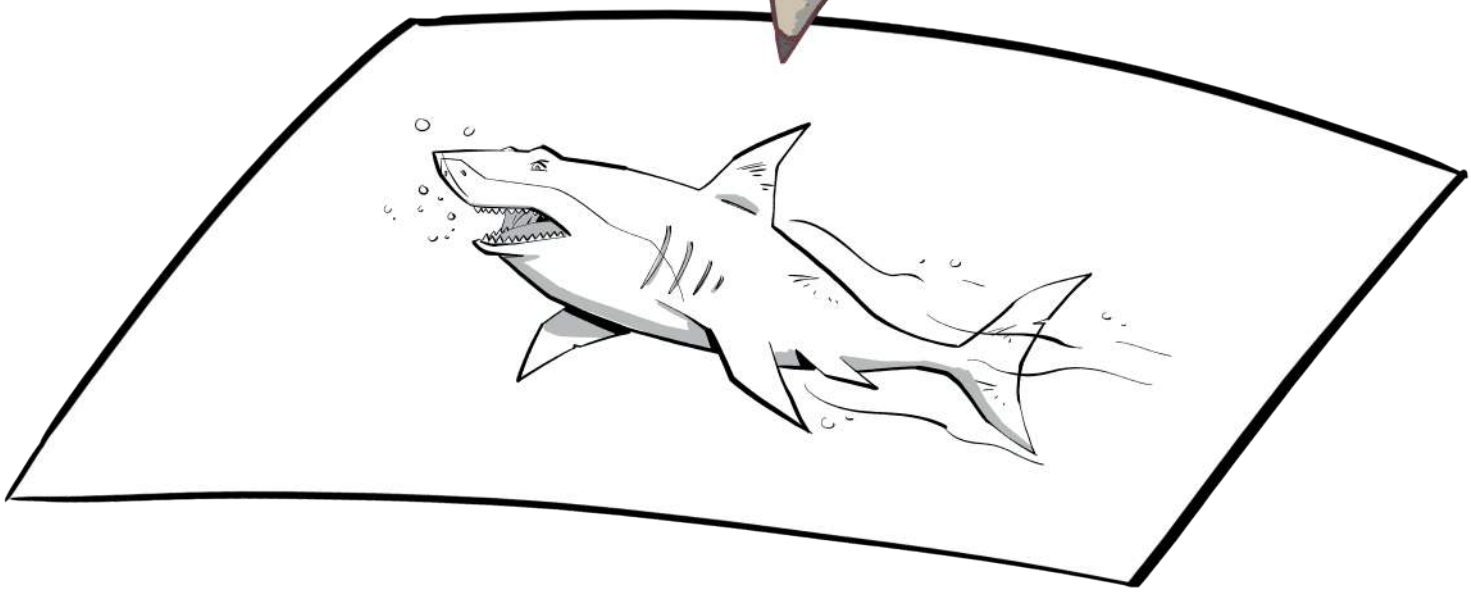

ADD AN *ANGRY EYE,* AND FILL THE INSIDE OF THE MOUTH WITH LOTS OF *TRIANGULAR TEETH.*

7.

ADD SOME *FINAL DETAILS,* LIKE *GILLS* AND *NOSTRILS* AND ADDITIONAL *MARKS AND LINES* AND FINISH OFF WITH SOME *BUBBLES* AND *WATER TRAILS.*
