DRAW ALONG GUIDE

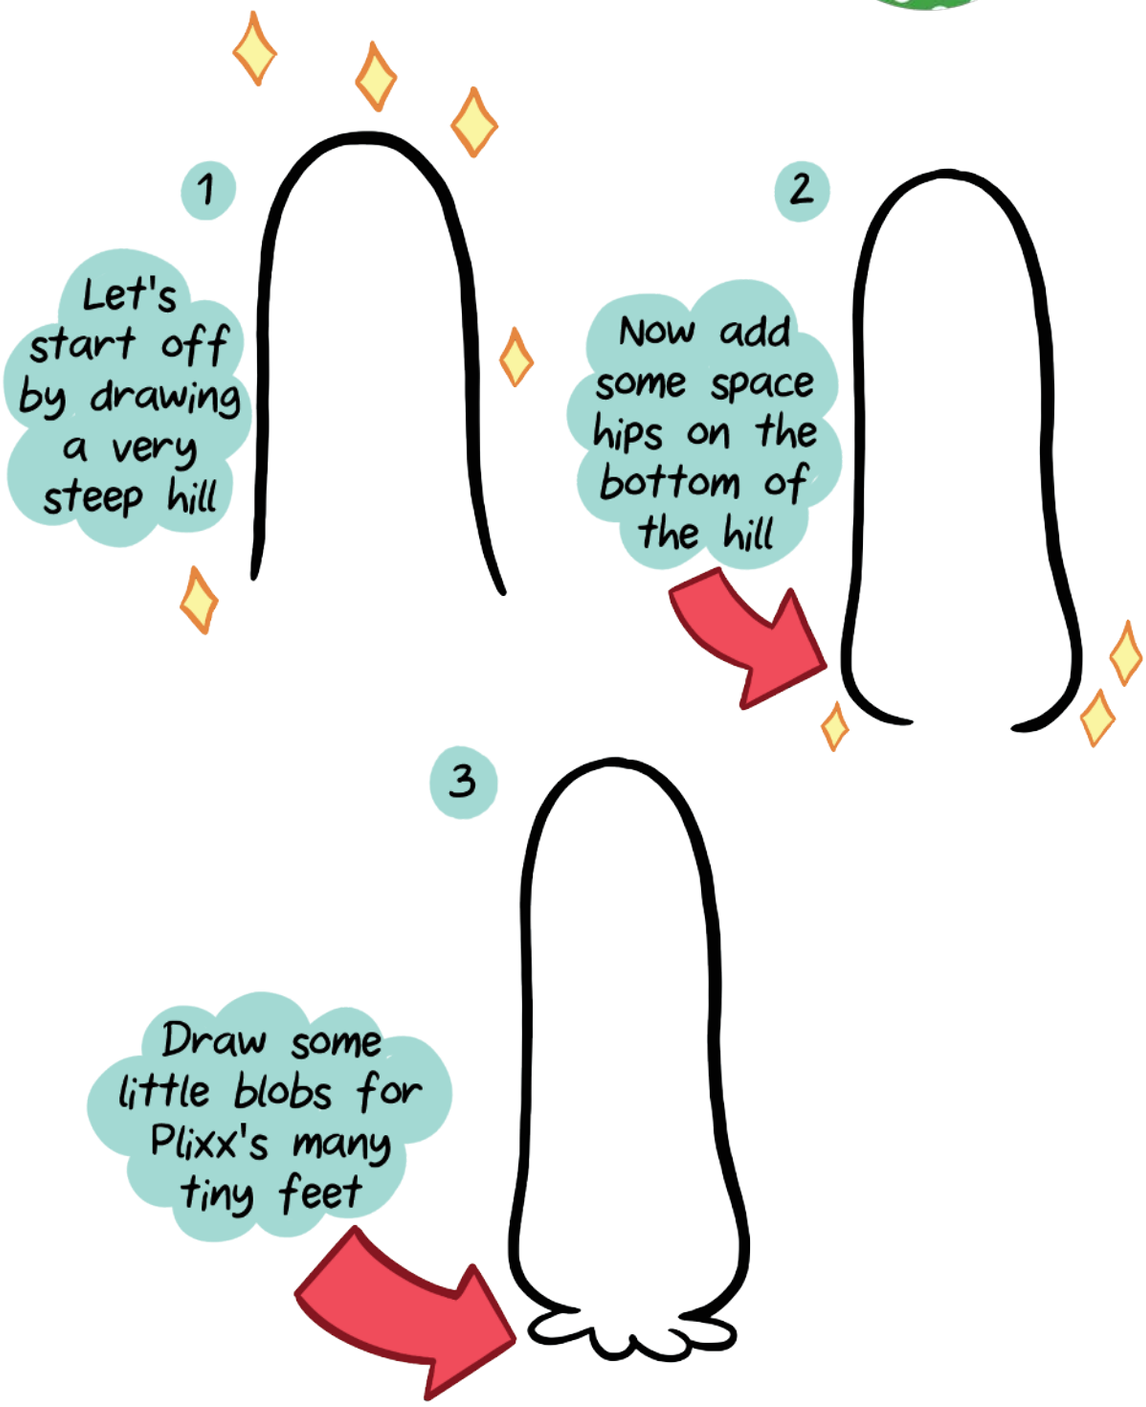

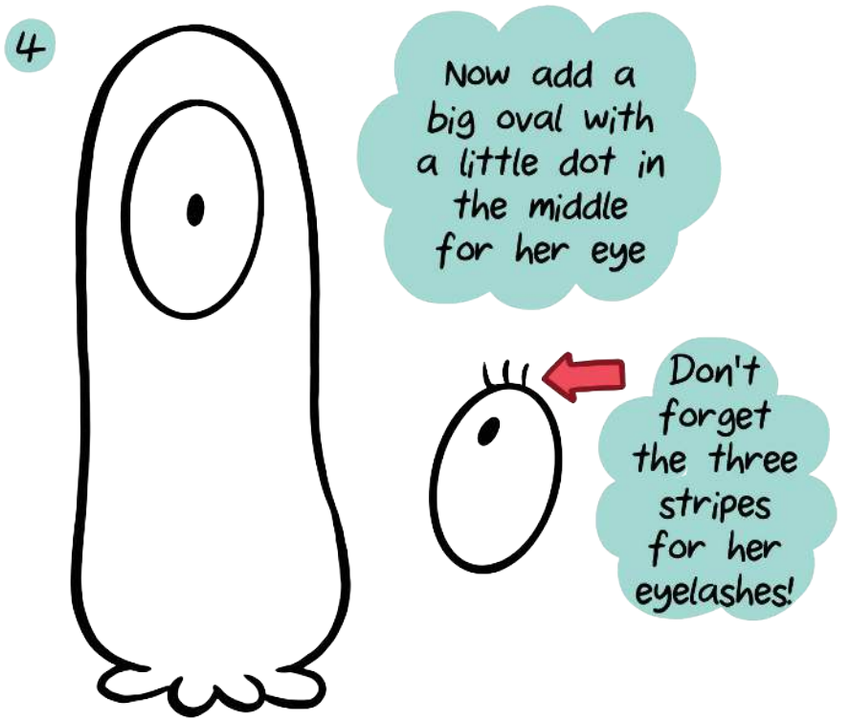

Hi, I'm James Turner, Welcome to this printable guide!

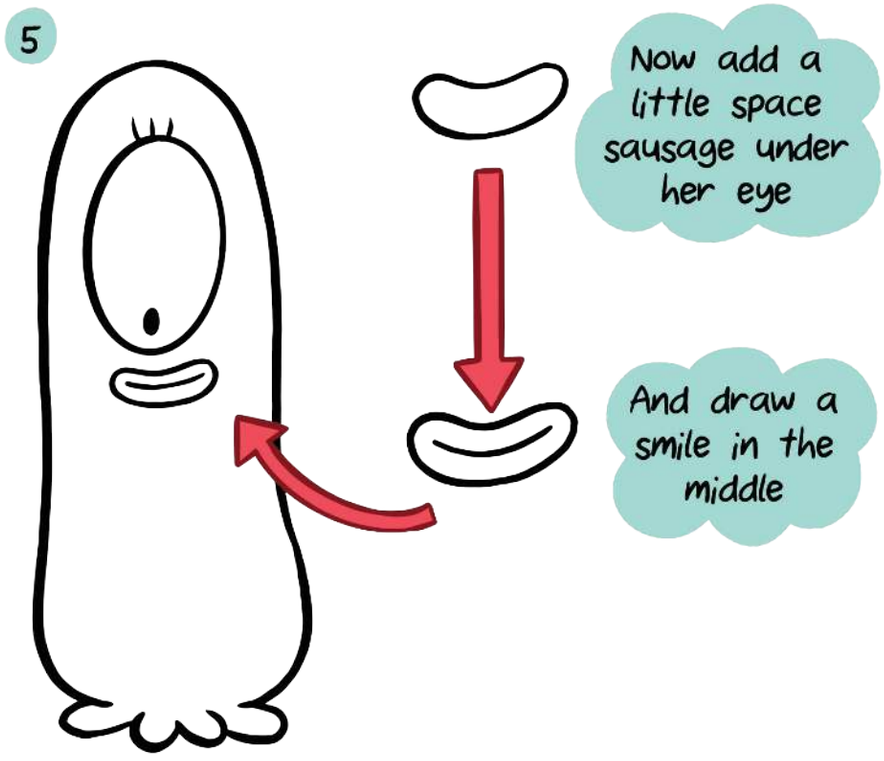

And I'm Yasmin Sheikh! We hope you enjoy drawing along! Let's go!

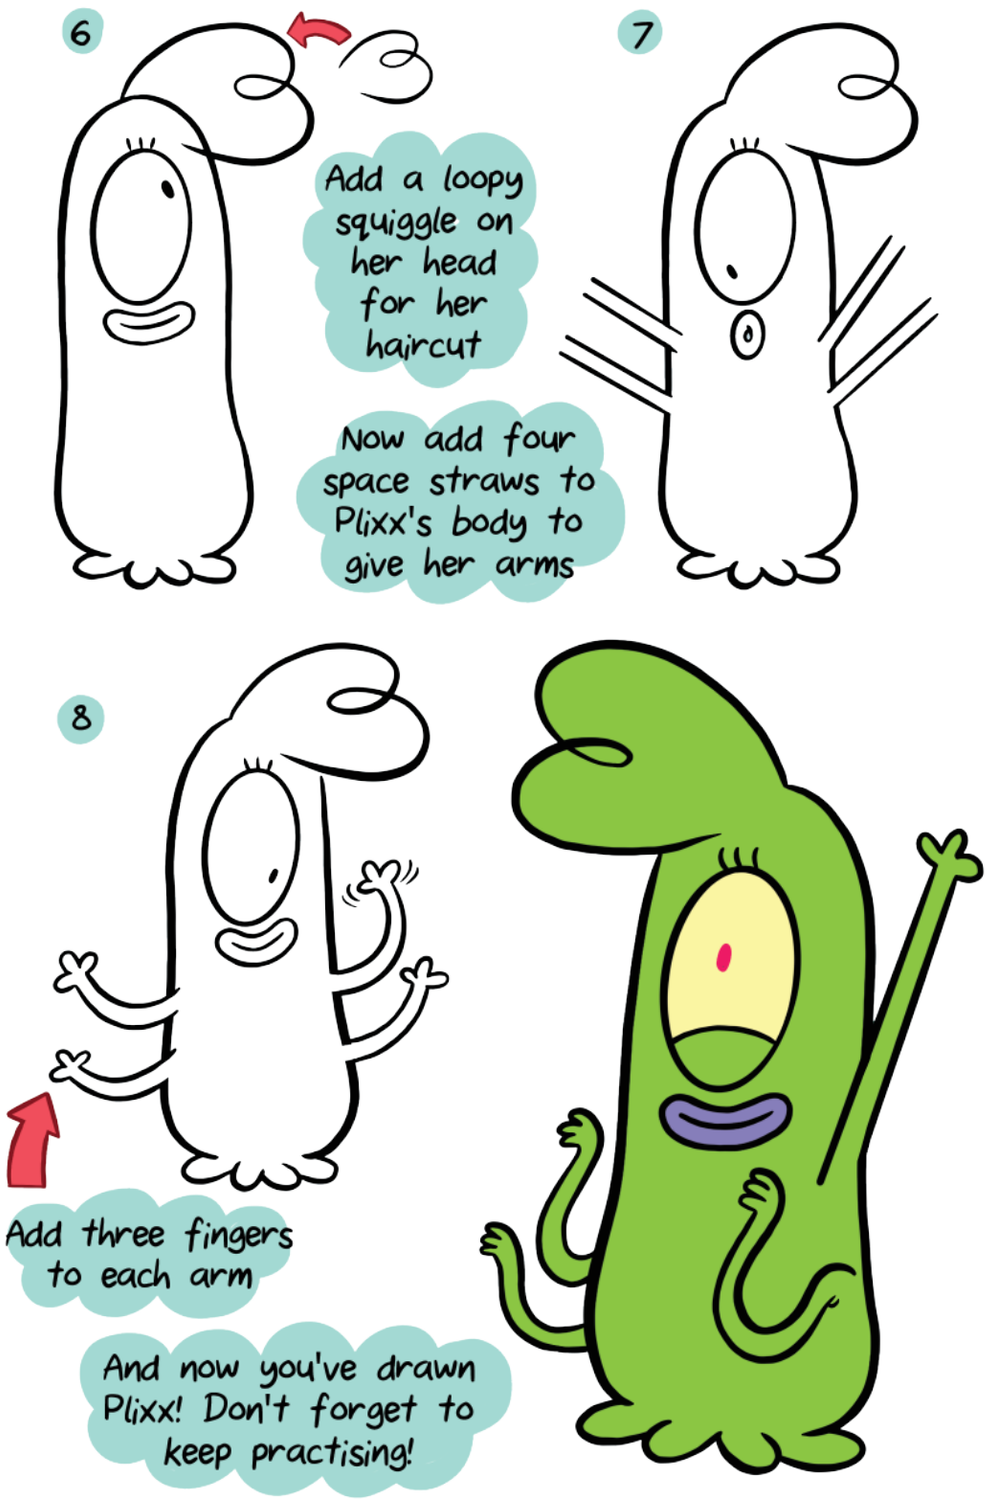

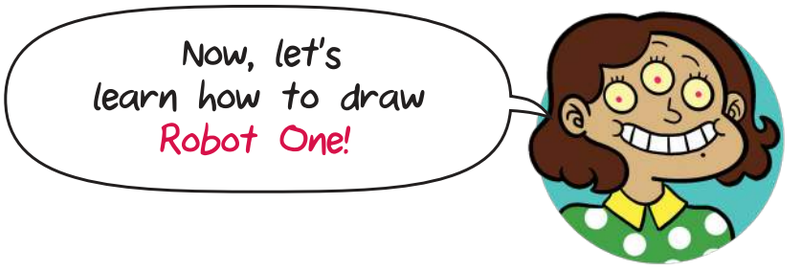

Star Cat characters are super fun to draw. Let's learn how to draw Plixx!

1
Let's start off by drawing a very steep hill
2
Now add some space hips on the bottom of the hill
3
Draw some little blobs for Plixx's many tiny feet

4
Now add a big oval with a little dot in the middle for her eye
Don't forget the three stripes for her eyelashes!

5
Now add a little space sausage under her eye
And draw a smile in the middle

6
Add a loopy squiggle on her head for her haircut
7
Now add four space straws to Plixx's body to give her arms
8
Add three fingers to each arm
And now you've drawn Plixx! Don't forget to keep practising!

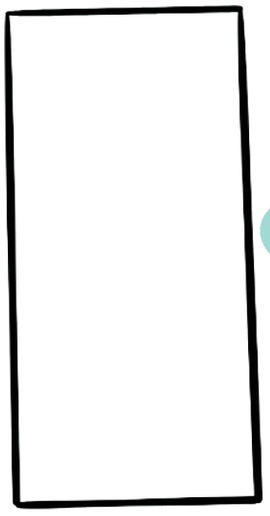

1

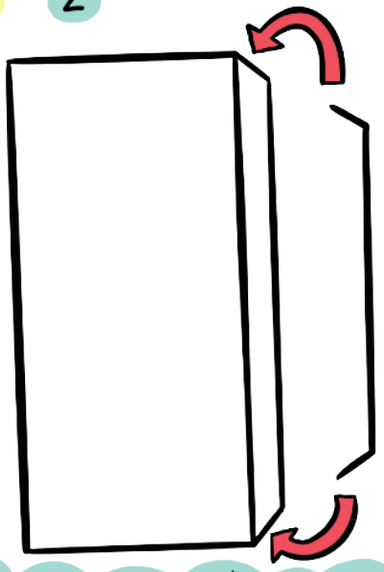

TIP! Use a ruler

First, draw a rectangle

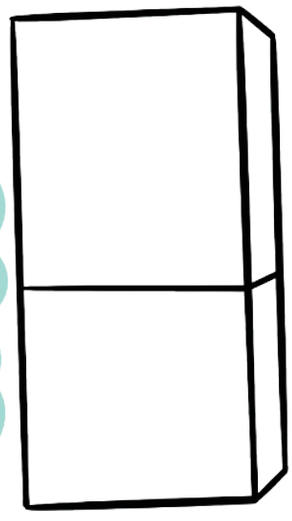

2

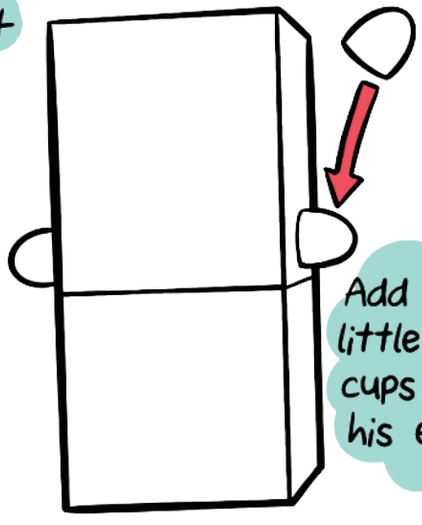

To draw a robot and not just a rectangle, add some depth

3

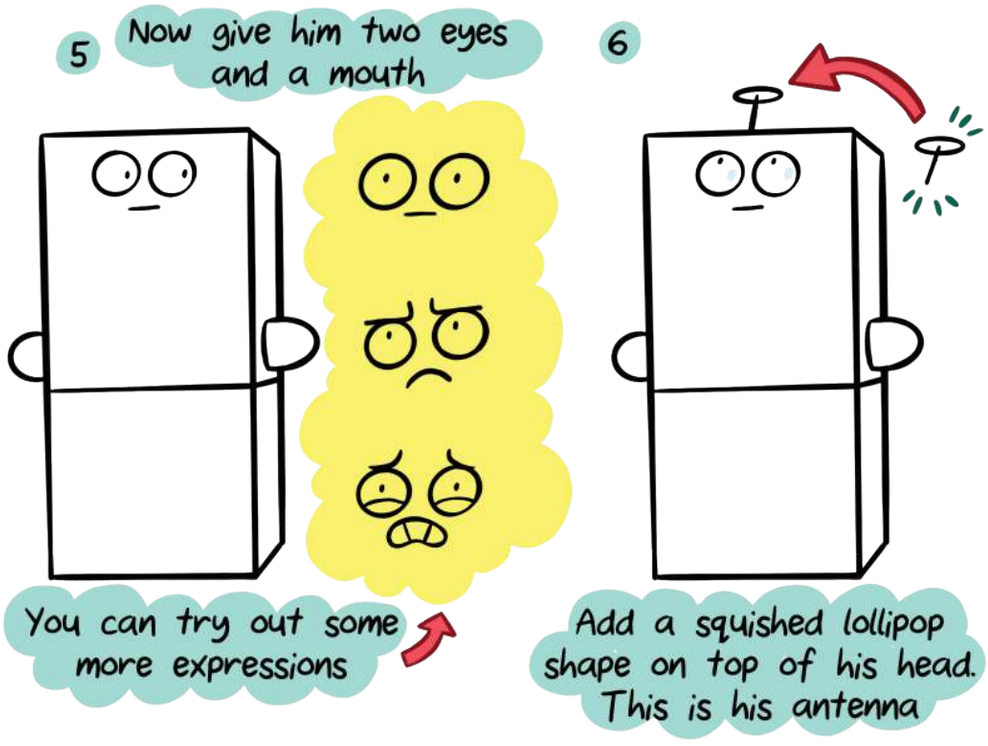

Draw a line in almost the middle of his body, his head is a tiny bit bigger

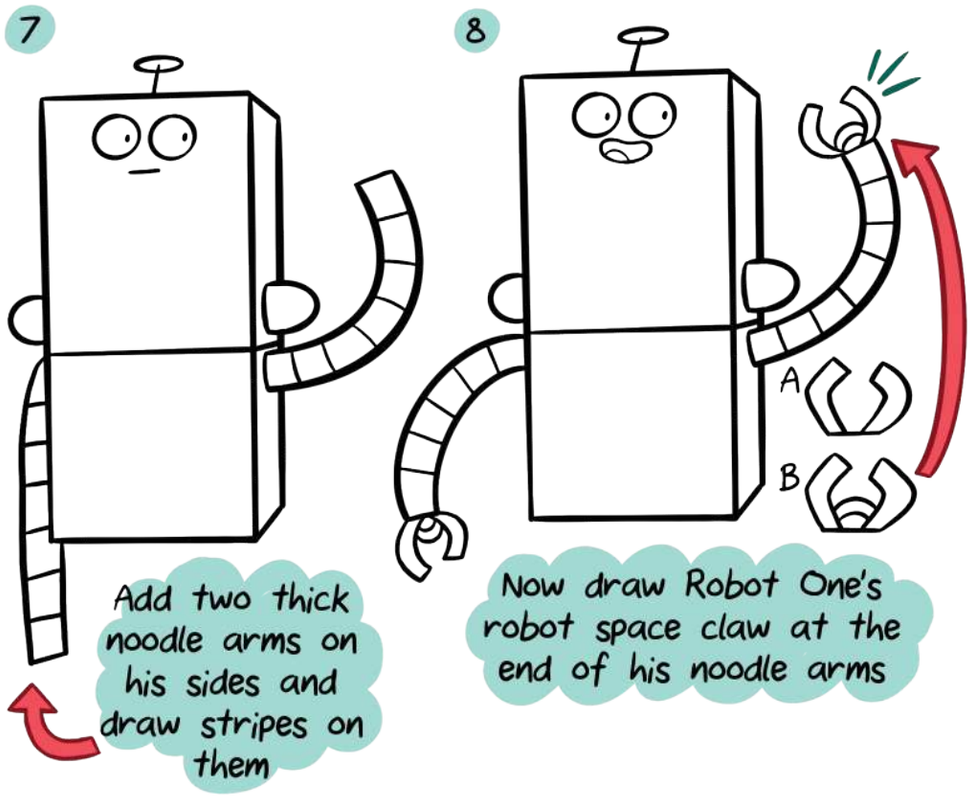

4

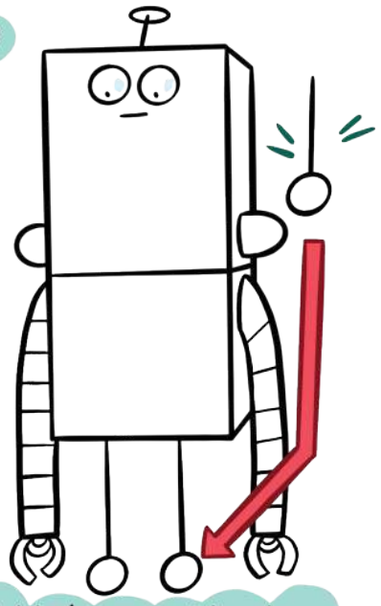

Add two little tea cups for his ears

5
Now give him two eyes and a mouth
You can try out some more expressions
6
Add a squished lollipop shape on top of his head. This is his antenna

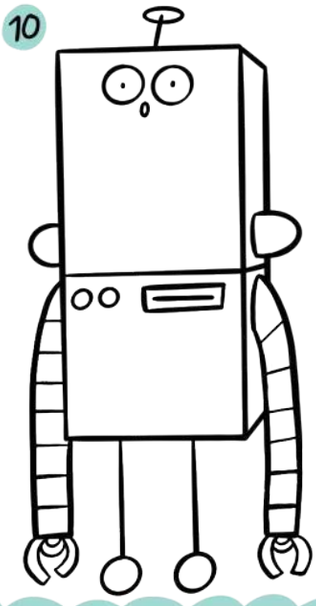

7
Add two thick noodle arms on his sides and draw stripes on them
8
A
B
Now draw Robot One's robot space claw at the end of his noodle arms

9

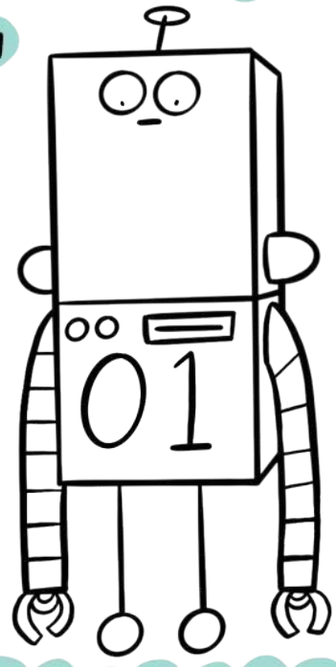

Add two upside down lollipops on the bottom of his body

10

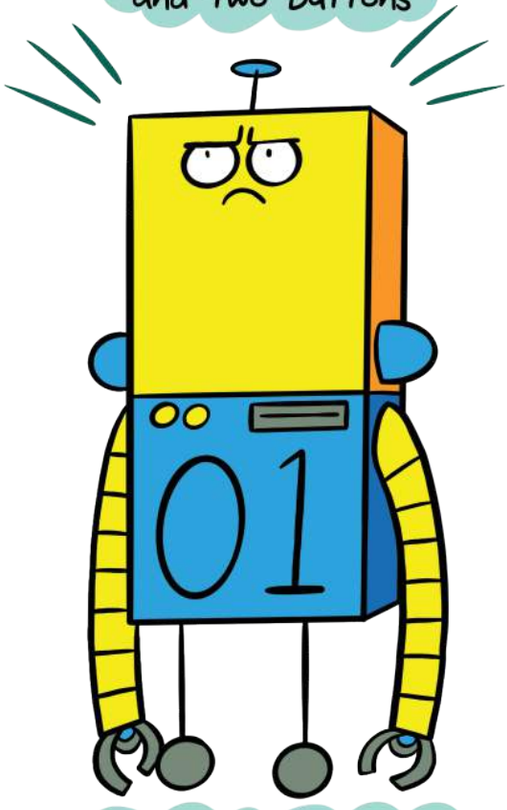

Draw on his disc drive and two buttons

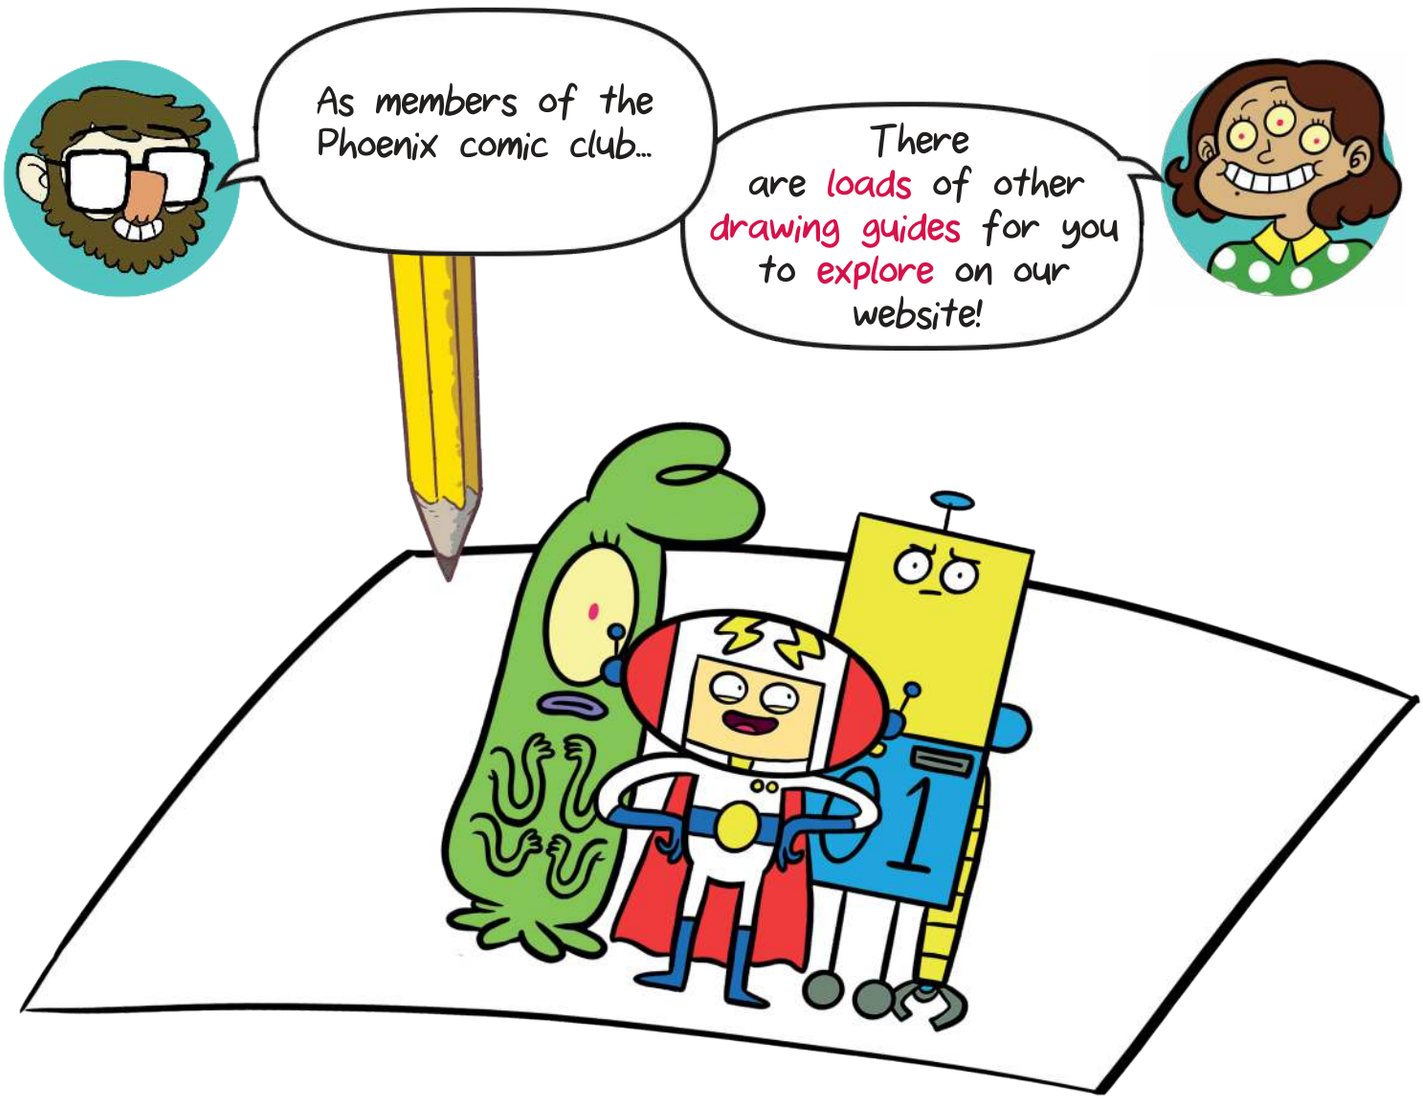

11

Lastly, add a big 01 on his robot belly

And there you have Robot One! Give yourself a pat on the shoulder!
