LEGACY
THE SHADOW RISES

DRAW ALONG GUIDE

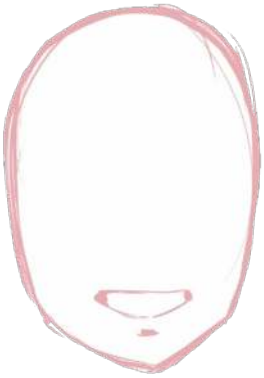

LET'S LEARN HOW TO DRAW SCARLETTE FROM LEGACY! REMEMBER TO SKETCH LIGHTLY, YOU MIGHT NEED TO ERASE SOME LINES AS YOU GO!

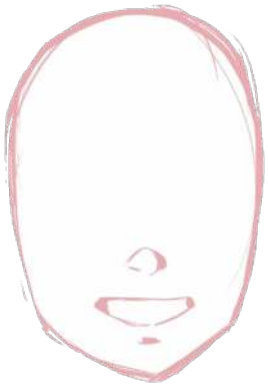

START BY SKETCHING AN EGG SHAPE, THE POINTIER BIT FACING DOWNWARDS.

DRAW THE SMILE. HERE I'VE DRAWN IT LOOKING LIKE A SHORT BANANA, A LITTLE ABOVE THE CHIN.

NEXT DRAW THE NOSE. I DREW THE NOSTRIL ON ONE SIDE AND THE SHADOW OF THE NOSE ON THE OTHER SIDE.

NEXT THE EYEBROWS! I DRAW SCARLETT'S EYE-BROWS LIKE NARROW, CURVED RECTANGLES, BRACKETED BY A FEW SHORT, DOWNWARD LINES.

THEN DRAW A SHALLOW CURVE FOR THE LOWER EYELID, FOLLOWED BY A TALLER, ARCHING CURVE FOR THE UPPER EYELID. DRAW OVALS FOR THE PUPILS.

ADD EARS. THESE ARE OVALS EITHER SIDE OF THE FACE WITH SOME CURVED LINES SWIRLING INWARDS.

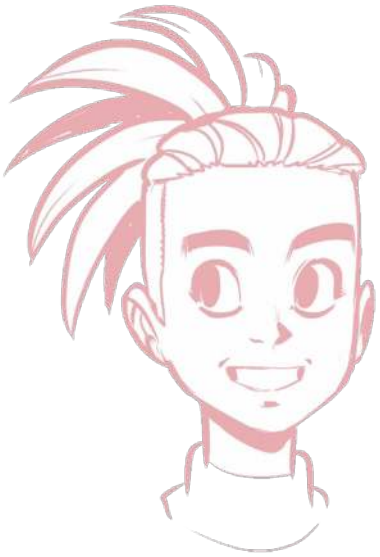

DRAW A LONG CURVED LINE ACROSS THE FOREHEAD. THEN ADD A CLOUD-LIKE SERIES OF CURVES JUST ABOVE THE TOP OF THE HEAD FOR THE TOP OF HER-HAIR.

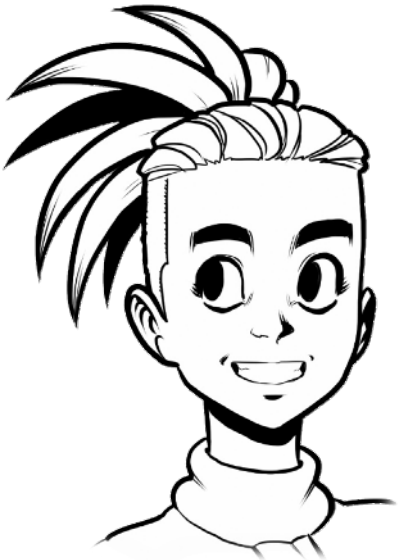

BREAK UP THE HAIRLINE WITH A FEW ZIG-ZAGS, THEN DRAW SOME CURVED LINES SWOOPING FROM THE FRONT OF THE HEAD TO-WARDS THE BACK. LASTLY ADD THE SIDES OF HER HAIR.

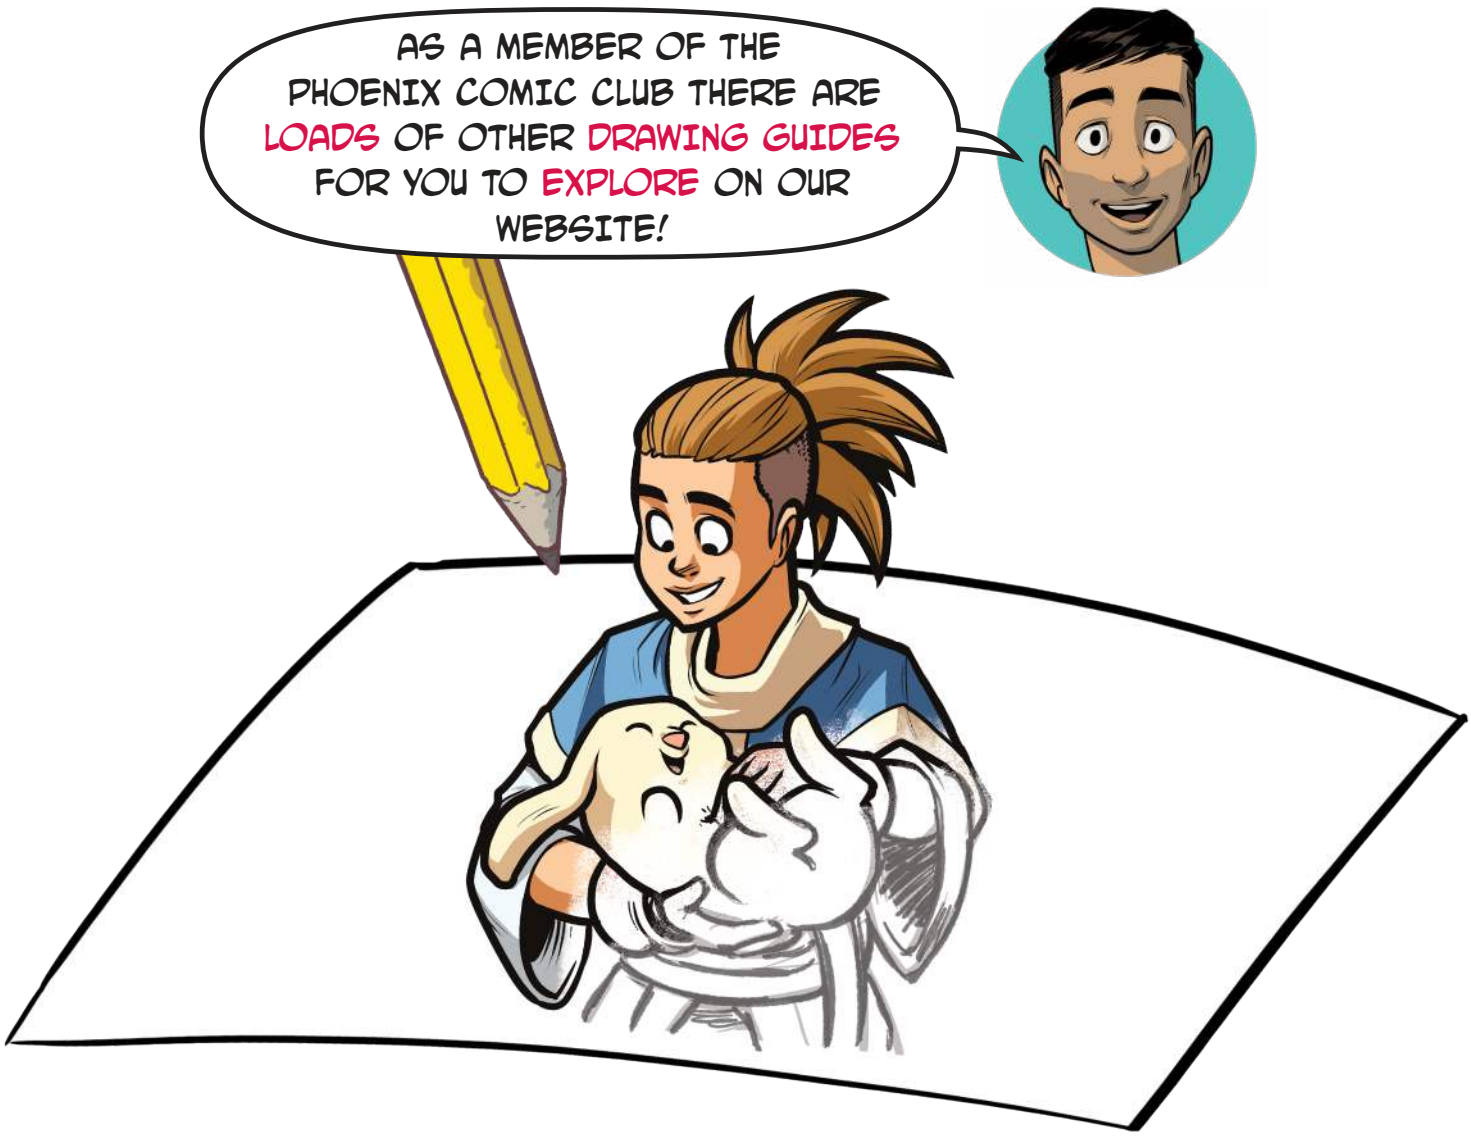

ADD SOME STUBBLY MARKS TO THE OUTLINE OF HER SHAVED SIDES, THEN DRAW TWO DOWNWARD LINES FOR SCARLETT'S NECK, FOLLOWED BY A SERIES OF CHUNKY CURVED LINES TO INDICATE HER COLLAR.

LET'S ADD HER PONYTAIL. DRAW IT LIKE A BUNCH OF VERY SHARP BANANAS, ALL OF THEM MEETING AT THE BACK OF HER HEAD.

LASTLY I GO OVER MY SKETCH WITH A PEN. I DRAW A THICKER OUTLINE AROUND THE OUTSIDE OF A CHARACTER, AND DRAW THE REST OF THE FEATURES WITH A THINNER LINE. IT'S FINISHED!
