JAMIE SMART'S

BUNNY VS MONKEY

HOW TO DRAW LE FOX

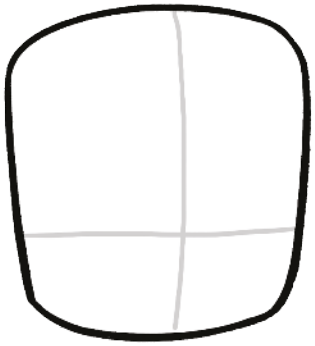

1

LE FOX HAS THE SAME SHAPE OF HEAD AS A LOT OF BUNNY VS MONKEY CHARACTERS DO. IT'S LIKE A BULGING SQUARE!

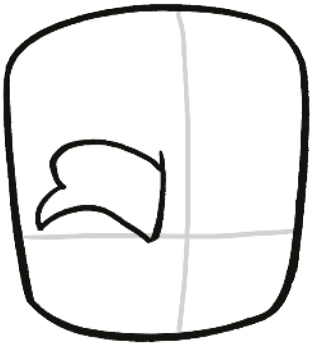

NEXT, WE NEED TO DRAW HIS FACE ONTO IT!

2

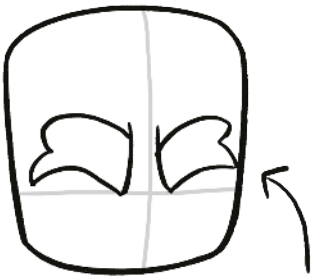

TRY DRAWING A CROSS IN PENCIL, IT'LL HELP YOU TO THINK ABOUT WHERE LE FOX'S FACE WILL FIT ONTO HIS HEAD!

3

THEN THE FIRST THING WE DRAW IS LE FOX'S EYEBROWS! THEY'RE A STRANGE SHAPE, TRY AND COPY THIS ONE!

4

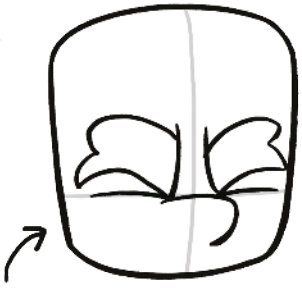

SAME SHAPE, BUT FLIPPED, FOR THE OTHER EYEBROW!

5

THEN A LINE UNDER EACH. THIS SHOWS LE FOX IS LOOKING VERY GRUMPY!

6

A SNOUT NEXT, COMING OUT JUST BELOW HIS EYEBROWS...

7

ADD A LITTLE TRIANGULAR **NOSE** AND AN UPTURNED **MOUTH!**

8

FOR THE FUR AROUND HIS FACE DRAW THIS SHAPE (DON'T FORGET THE TUFT FOR HIS **CHEEK!**).

9

... ADD THE LAST COUPLE OF **TUFTS**...

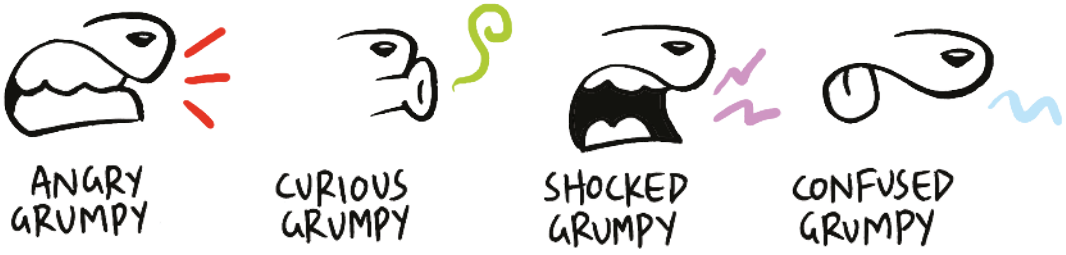

LE FOX'S **EARS** ARE THIS SHAPE

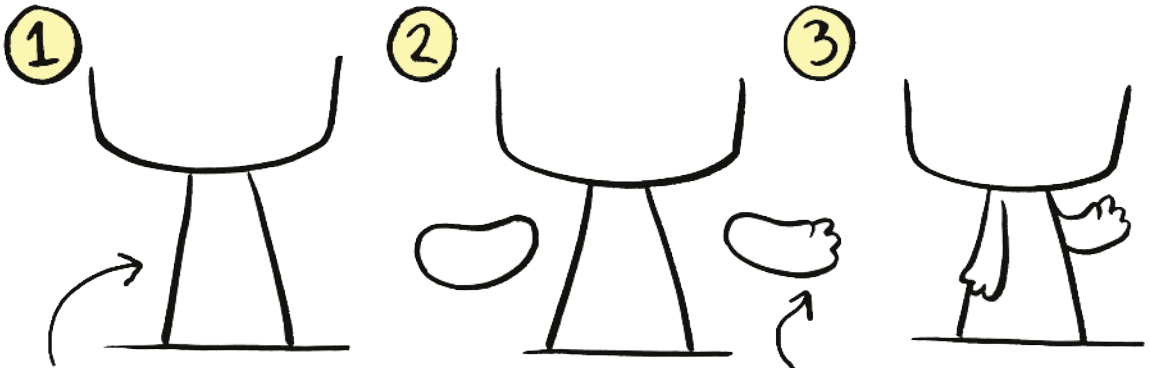

AND THEY GO ON THE VERY TOP OF HIS HEAD.

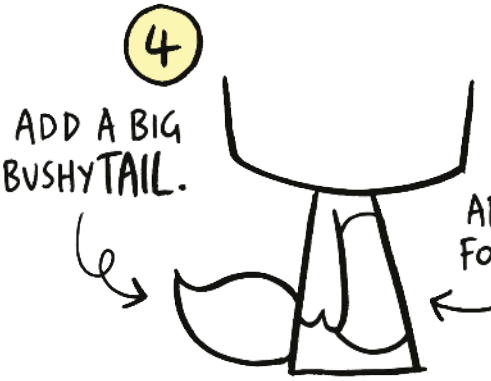

A NOTE ABOUT LE FOX'S **EXPRESSIONS**:
LE FOX USUALLY HAS ONE EMOTION: **GRUMPY!**
BUT WE CAN STILL VARY THAT UP A BIT, TRY PLAYING AROUND WITH HIS MOUTH TO SEE JUST HOW GRUMPY LE FOX CAN BE!

ANGRY GRUMPY | CURIOUS GRUMPY | SHOCKED GRUMPY | CONFUSED GRUMPY

1. LE FOX'S BODY IS JUST LIKE EVERY OTHER BVM CHARACTER...A **LUMP!**
2. HIS **ARMS** ARE LIKE SAUSAGES (ADD FINGERS AT THE VERY END!)
3. THE ARMS CAN BE SHAPED INTO ANY POSITION YOU LIKE!

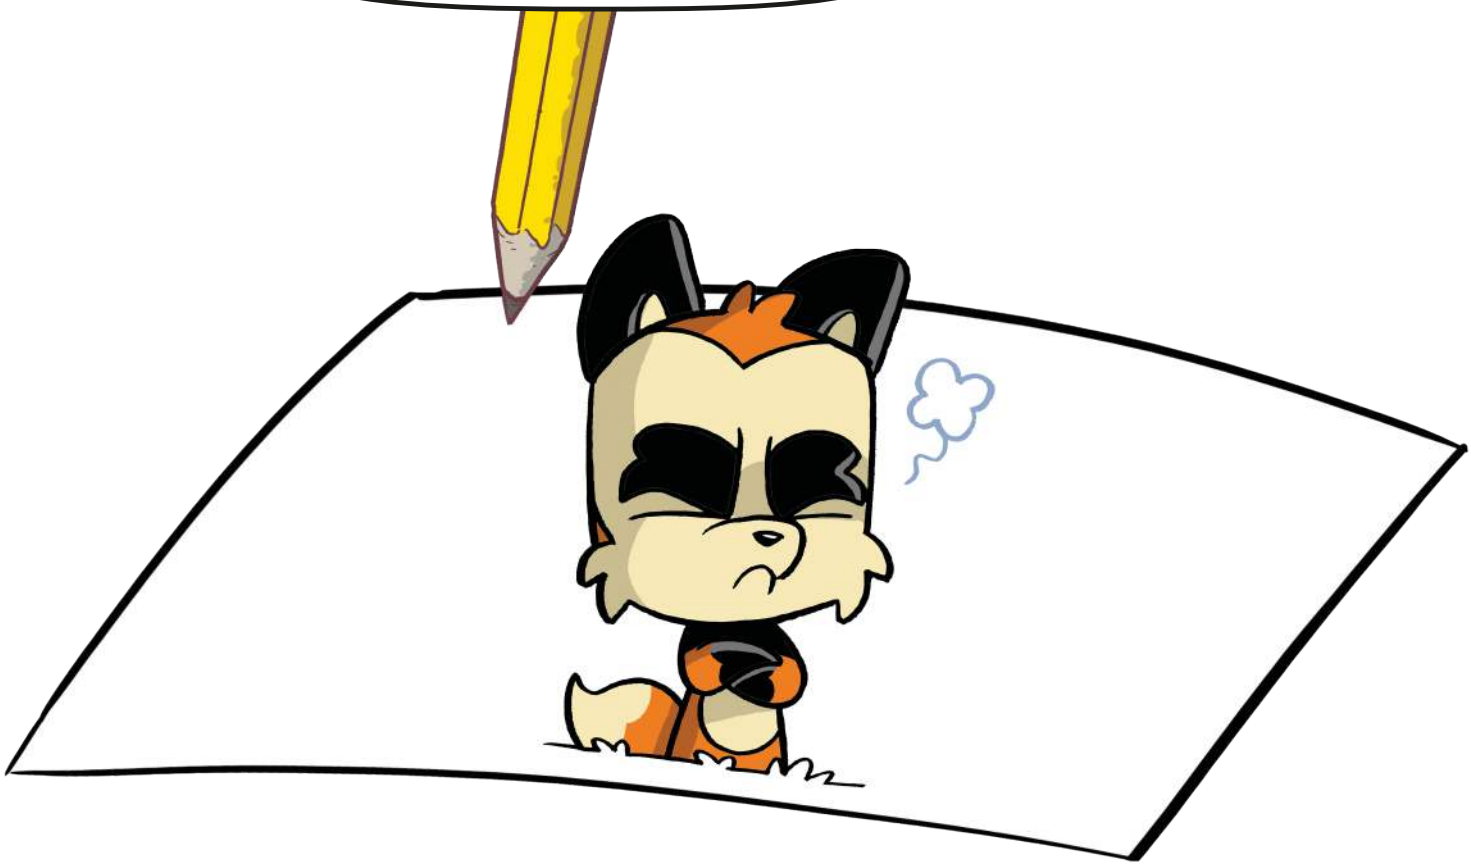

4. ADD A BIG BUSHY **TAIL**.
ADD A CIRCLE FOR THE TUMMY FUR.

AND THERE WE HAVE IT, A THOROUGHLY GRUMPY **LE FOX!** TRY PLAYING AROUND WITH HIS FACE, HIS ARMS, SEE WHAT YOU CAN MAKE HIM DO (BESIDES BEING GRUMPY).
