JAMIE SMART'S

BUNNY VS MONKEY

HOW TO DRAW AI

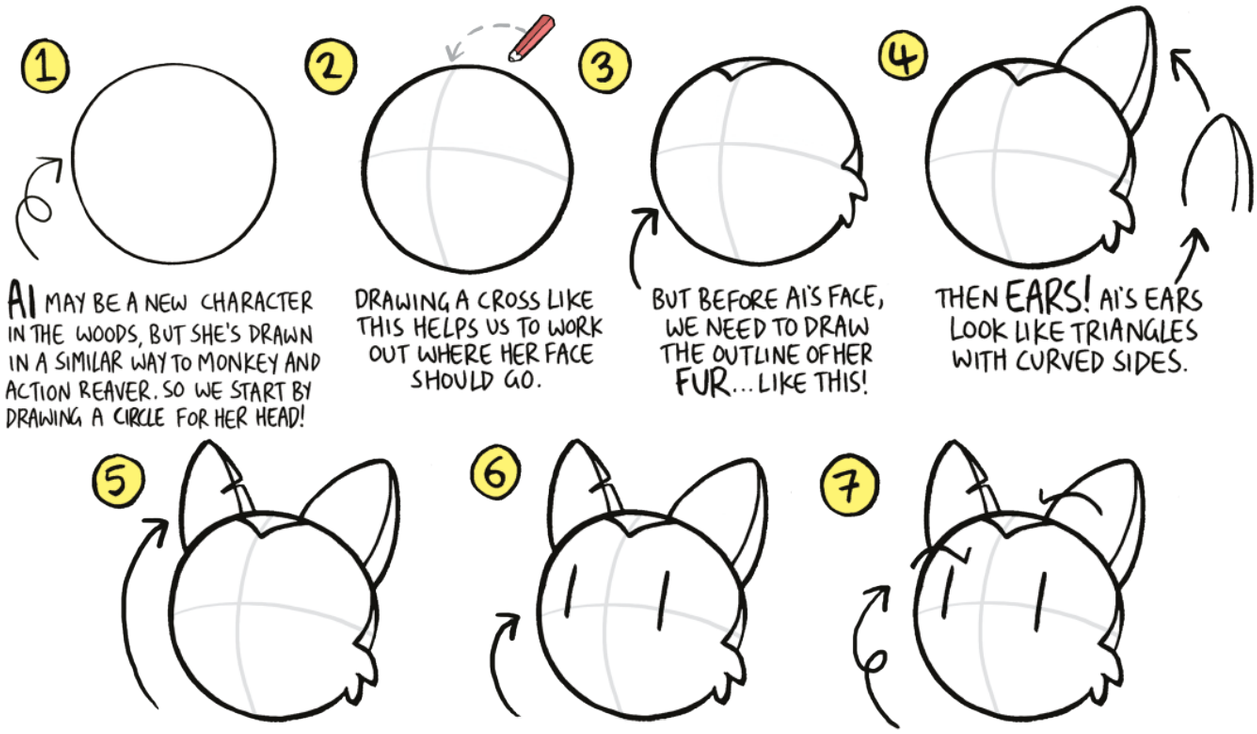

1 AI MAY BE A NEW CHARACTER IN THE WOODS, BUT SHE'S DRAWN IN A SIMILAR WAY TO MONKEY AND ACTION REAVER. SO WE START BY DRAWING A CIRCLE FOR HER HEAD!

2 DRAWING A CROSS LIKE THIS HELPS US TO WORK OUT WHERE HER FACE SHOULD GO.

3 BUT BEFORE AI'S FACE, WE NEED TO DRAW THE OUTLINE OF HER FUR... LIKE THIS!

4 THEN EARS! AI'S EARS LOOK LIKE TRIANGLES WITH CURVED SIDES.

5 PUT TWO EARS ON HER HEAD, BUT DON'T FORGET THE EAR ON THE LEFT HAS A SLIGHT TEAR IN IT!

6 NOW, AI'S FACE! WE ALWAYS START WITH TWO LINES FOR THE EYES...

7 ...WITH A COUPLE OF EYEBROWS...

8 ...A LITTLE TRIANGLE FOR HER NOSE...

9 ...AND LET'S ADD A WIDE SMILING MOUTH!

10 FINALLY, WE NEED TO DRAW AI'S BODY!

LET'S DRAW AI DOING HER FAVOURITE THING, RUNNING!! HER BODY IS A LUMP SHAPE, BUT IT CURVES A LITTLE, AS IF IT'S BEING PULLED ALONG BY HER HEAD!

11

FOR FEET, WE ONLY NEED TO DRAW CIRCLES. ONE IN FRONT, ONE TUCKED BEHIND!

12

LET'S HAVE ONE ARM REACHING OUT IN FRONT OF AI. WE'RE GOING TO CHEAT A BIT HERE... IT WOULDN'T REALLY STRETCH THIS FAR FROM HER BODY. BUT WE CAN JUST TUCK IT BEHIND HER HEAD!

13

HER OTHER ARM TRAILS OUT BEHIND HER...

14

ADD A BUSHY TAIL, AND SHE'S DONE! A DYNAMIC PICTURE OF AI, SPEEDING FORWARDS TO SAVE THE DAY!

AMAZING DRAW-ALONG VIDEOS WITH LOADS OF YOUR FAVOURITE CREATORS!

AWESOME VIDEOS AND INCREDIBLE PRINTABLE GUIDES!
